

To whom it may concern:

I am writing on behalf of "The Gift of Giving".

This is a contribution to our community that we started last year 2008 to feed the needy on Christmas Eve.

As local Hampton Falls business owners we feel the need to give back to the surrounding communities and this is our way.

We cooked and served meals for 250-300 hungry men women and children last year at the old Seabrook fire station on route 286, and donated the leftovers to Our Neighbors Table who feed the delicious holiday leftovers to over 200 people on New Years Eve. We have already arranged to provide them and other soup kitchens with the leftovers this year.

Nothing will go to waste.

We are asking for the following items to be donated in whatever volume you can. Later on in the month we will ask the over 75 volunteers to contribute what is missing from the meal.

We aim to feed over 500 people this year and would like to coordinate with the four local supermarkets our needs so we don't end up with the same items from each store or contributor.

The items needed are as follows:

- Appetizer items (cheese and crackers, veggies and dip, anything)
- Ham
- soda/water
- Gravy
- Butter
- Cream
- Canned green beans
- Onion toppers
- Baked beans
- Salad stuff
- Dressing
- Coffee
- Paper and plastic goods
- Napkins
- New unwrapped gifts for 12 and under
- New coats, hats and mittens (unwrapped)

- Extension cords, trash bags, 3 prong adaptors, multi plug adaptors, christmas decorations, music

Also needed are people to help take away trash after the event 8 PM or so and help transport other items back to the Butcher Shop afterwards (pickup truck required). We could also use someone who can transport the leftovers to Our Neighbors Table in Amesbury Ma. after the event.

Finally, we need storage space to put leftover items and decorations until next years event.

Thank you for your participation!

Your community thanks you too.

We would be happy to mention your donation in whatever way you deem appropriate.

Please contact us to find out what we have already received.
